

As a fundraiser, Grace In The Wilderness Ministries is providing a reprint of our 2009 cookbook, sponsored by the ladies of Blue Ridge View Baptist Church. Proceeds from the sale of this Cookbook will go to support Grace In The Wilderness Ministries, a Non-Profit 501(c)3 Charity.

Its many ministries include no-charge conferences for moms of special needs children and moms who have lost children, and newsletter distribution to medical offices and women's service organizations. Cookbooks will be available on December 16, 2015 and are a great Christmas gift idea!!
